How To Read The Bible

1. Make daily reading a habit. Follow this schedule and stick to it.
2. Read with a purpose in mind. You should be reading the Bible in order to understand the will of God for your life.
3. Read with a goal in mind. Read to finish and understand each book. Read to get an overview of the old and new testament. Have something in mind that you want to learn, then plan how you want to learn it. Then do it.
4. Study as you read. Take notes.
5. Put what you read into practice. Vital lessons learned become that much more unforgettable when you begin to live them.
6. Learn to imitate faithful Bible characters:
7. Pray before and after you read. We should have a prayerful attitude as we consider the meaning and intent of God's word.
8. Pursue wisdom. While it is true that God grants wisdom, it is also true that we must simultaneously pursue it of our own accord.
